MC2 Lab's 3rd International Summer School on Cognitive Translation & Interpreting Studies, 7-18.07.2025

This is to acknowledge that the final paper entitled,
"Applying "DISTRAINT HTML": A cognitive-translation-studies framework for experimentally capturing the interlingual experiences of gaming"
by Krzysztof W. Hejduk, MA
was shortlisted following the first round of reviews as one of the best six papers submitted by attendees of the Third MC2 Lab's CTIS Summer School in July 2025.

Date: 23 January 2026

School's Co-directors: Prof. Ricardo Muñoz Martín Prof. Bogusława Whyatt
